

A
reconstructed
being of justice
that fights the
evil underground
society called
"Joker."

The
Kahen
Rider.

Born in the
Showa period,
he's an immensely
popular childhood
hero that's still
boasted about,
even now.

Chapter 13 : Please Swear Upon It

***She
is Fujii
Alice.***

Who're
you?

What's
up with
her?

tampering
with her make-
shift strategies,
she managed to
survive for a
long time.

Since I did
not notice my
mistake and
sent another
to do it,

...evil.

Genuine...

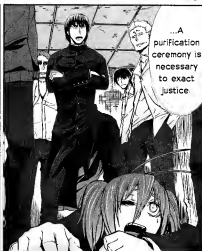

The
same
as this
girl...

Leave
it to us,
Hibiki-
san...

Hehe...

...A
purification
ceremony is
necessary
to exact
justice

Well
aren't you
a cute
one...

Hehe...

Looks
like the
feast got
bigger...

Looks
like she's
totally
flipped.

Hey wha?
This girl
here ain't
movin.

An
arachnid
does not
plan in
advance.

She's
raised
damn fine
for a first-
year, ain't
she...

Hehe.

She's just
irresistible...
Hehehe...

This seems
like it'll be
quite the
pleasure...

アラクニド 3

...Rather, there are numerous occasions where they tend not to want to engage in any fighting during that time.

...Intimidation and imitation when arachnids are in fights...

They challenge others with these special postures however...

Humans are rather unusual when they come to a fight.

erecting the presence of a fight

erasing all traces of their offense.

they would rather go with the usual.

In reality, when they are hunting,

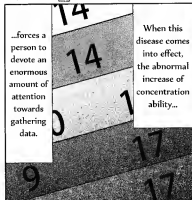

and then suddenly bearing their fangs.

...forces a person to devote an enormous amount of attention towards gathering data.

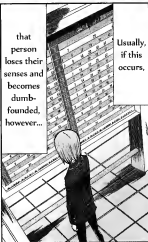

When this disease comes into effect, the abnormal increase of concentration ability...

Congential Excessive Concentration.

one's mind bears only the duty to select the most necessary information to closely examine.

...If it is a time of emergency,

that person loses their senses and becomes dumb-founded, however...

Usually, if this occurs,

...before Alice's gaze...

The outcome that spreads...

...and
while
every-
thing
is
slowly
flowing...

Every-
thing
seems as
though it
had sunk
under-
water,

...is a
world
in super
slow-
motion.

...Alice
observes.

she
aims for
the weak
points
in their
defense.

out of the
numerous
available
vital areas.

Grasping
an enemy's
condition
and actions.

and in
the least
distance
possible...

establishes
her target.

...she
attacks.

Attack.

Attack.

Pure
offense.

This
is...

*...Their
way of
combat.*

...what
creatures
named
arachnids
use...

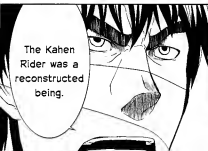

And in exchange.

*From now on,
you shall never
touch them.*

*Oki-
san and
Tajima-
san.*

...as
the one
I had...

...the
exact
same...

ALICE-
SAMA!!!

...Kamadouma.

Rider

直翅目

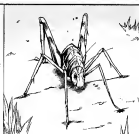

Kick

蹴撃

An insect belonging to the Rhaphidophoridae family of the Orthoptera order.

Kamadouma.

An individual living outdoors...

This is in order for them to ensure they have sufficient nutrition.

they feast on dead flesh and anything else that has decayed. There is a tendency to think of them as scavengers, however...

Since they are commonly nicknamed as the "Lavatory Cricket."

since their keen senses and ferocity are both authentic.

They can also confirm whether they have caught a locust.

That is, the Kama-douma...

...in order to hunt.

...can actually jump several meters...

...seemed to be a friendly grasshopper-type when he was a child, however...

The Kamen Rider...

...making them great predators.

...were endowed with strong walking abilities...

and no matter what the others saw him as,

...In reality, he was a Kamadoma-type,

and if a person saw his power and that kicking technique of certain death...

...He was not really common,

it was obvious-

ALICE-SAMA!

oo Why..?

Haa...

Haa...

...wears
a thread-
based
protector
over her
body.

In the
same way,
Alice too...

How-
ever...

...was
conducted
by various
overseas
defense
industries.

with an
anchored's
threads, the
development
of the bullet-
proof vest...

...and my
legs are
shaking...

...There's
still damage
left over...

...It's still
too much
to defend
against...

With just
thread...

...from
that kick
of his...

If I
was to
take yet
another
hit like
that...

managing
to block
my kick of
justice...

With the
weapon
you stole
from
Kumo,

I....

.....
...BEFORE
YOU ARE
SATIS-
FIEDP!

TO
WHAT
EXTENT
MUST
YOU
MOCK
ME...

That
man...

...was my
master. My
comrade.

*...the
person
I loved
most.*

And...

Loved
most..?

L-

He did not let personal feelings get in the way of performing even simple assassinations.

He was a cruel hunter.

...totally flawless.

Kumo's assignments were...

...was a rare existence.

...in our rotten society...

That man...

However, I completely understood.

*And a
bitch like
you...*

A man with
a heart of
pure justice.

*...stole
him from
me...*

...forever!

Hope that you have what it takes to make the most of this special
year's learning experience by re-creating the story you have
enjoyed and included with the two-page spread.

And yes, the two-page spread itself had "Take Your
Notes on the Journey for the Journey, So I can't let

Bill thoroughly describing the Journey day. I'll
think of it. If you're been writing for a long time to join in,
well, you can do so now. I'll be there again.
